Website Promotion: (Optional)

Your website can instantly be submitted to more than *300,000 search engines and directories*, which include the most extensive range of search engines and directories worldwide. Submitting your site to 300,000 search engines and directories will ensure that you drive relevant traffic to your site at a minor cost compared to other online or off-line advertising.

Website Maintenance: (Optional)

If you sign up for Our Monthly service, this will cost you **TZS 35,000.00 per month**.

Payment Procedures:

All payments for web hosting and domain registration must be paid in full before being processed. Payments for Web design require a 50% deposit and the remainder on completion of the web design. As for the business card website package, payment will also be required in full before being processed.
